

## **“WAKE UP! WAKE UP!” by Everyday Sunday**

Feels like I'm going through the motions in the dark  
In a world that leaves me with an uninspired heart  
All I know, is I'm so tired  
Of living life I barely feel  
Give me hope  
Give me fire  
Give me something real

### ***Chorus:***

Cause I don't wanna keep sleep walking  
Through endless days, I've had enough of  
Going no where  
God I want to  
Wake Up! Wake UP! WAKE UP!

It's now or never, come and pull me from this dream  
Where everything is colorless  
And nothing's what it seems

I believe, only You  
Can make me come alive  
Help me be, so consumed  
Open up my eyes

### ***Chorus***

Half asleep  
I'm so bored  
Counting sheep

### ***Chorus (2X)***

Half asleep  
I'm so bored  
Counting sheep  
WAKE UP!

Half asleep  
I'm so bored  
Counting sheep
